THE BUILDING

ACME was designed from the ground up to bring a truly unique and exciting bowling and event venue to the Puget Sound area. Two adjoined warehouses were retrofitted to create this 51,000-square-foot venue. The modern architectural style features metal and stained-concrete elements and includes a dramatic two-story glass-wall entrance that leads into a massive space with 18 to 24-foot vaulted ceilings. ACME's furnishings are comfortable, sleek, and modern – the perfect match for this high-tech multimedia center that includes high-definition plasma screens, projection screens, multiple satellite feeds, and a custom audio system that creates up to 10 individual audio zones.
